

CASE MANAGEMENT SERVICES

CUMBERLAND COUNTY MENTAL HEALTH CENTER

PROGRAM	NUMBER OF FTEs
CTSP Services	7
CAP Case Management	10
MR/MI Case Management	3
Adult Mental Health/Community Support	12
TASC- services covering 22 counties	8
MAJORS	3
Homeless Services	2
Developmental Disabilities-non-CAP consumers	3
Roxie Avenue Facility Based Crisis Services	2
The ARC of North Carolina	1

Providers, other than the ARC of North Carolina, are employed with the MHC. A request has been received from the ARC of Cumberland County to become a provider of case management services. There have been only two requests from consumers and family members for outside case management services (2 CAP consumers).

The Managed Care Unit notifies case managers when authorization information is needed by Value Options or another third party payor. Other than with CAP case management, the case managers do not track funding for services.
