RE: CFAC Meeting 2/12/09

I meet with Mr. Debnam and Ms. Claretta Johnson on 2/16/09 regarding some questions/concerns you had at the 2/12/09 CFAC meeting: Below is the feedback:

- In regards to the CC LME Board knowing about the training offered through the UNC School of Government: **Mr. Debnam reports that our board members received this information at the January 2009 Area Board meeting.**
- In regards to CC LME hosting a Legislative Breakfast this year: **Mr. Debnam reports that due to new administration this decision will be made later in the year.**
- In regards to feedback on the Relational Agreement that was submitted by CFAC around December: **Mr. Debnam will be meeting with the Area Board Chair and Executive Committee to review this document. Mr. Debnam plans to attend CFAC's 3/12/09 meeting.**
- FYI - Mr. Debnam reports that CC LME does not plan to submit an application for the National Institute for Mental Health (NIMH) for a Collaborative Study of Suicidality and Mental Health in the U.S. Army. This is outside the scope of the CC LME Mission. CC LME is willing to provide a letter of support for a vital provider.
- FYI – Mr. Debnam will provide the transportation to Raleigh on 3/10/09 for the CFAC members who plan to attend the Coalition Legislative Breakfast.
